

Train the Trainer Simulation Instructors Course

Date: Friday 7th June 2019

Venue: College of Anaesthetists of Ireland
22 Denzille Lane
Dublin 2

Course Director: Prof Crina Burlacu
Course Faculty: Dr Eva Doherty
Dr Eilis Condon
Dr Aine Cafferkey

This course is intended for multidisciplinary medical, nursing and other healthcare professionals in a well-established education role (consultants, tutors, clinical facilitators, lecturers, specialist registrars in their last 2 years of training) who have a strong interest in simulation teaching. Participants will learn about using full - scale realistic simulation in medical education and acquire pertinent debriefing skills. The course is delivered through a blend of lectures, interactive discussions and hands-on practice followed by expert feedback.

Previous course evaluations included: 'excellent course'; 'nice variety of activities with plenty of discussions and healthy debate'; 'didactic lectures were an excellent introduction to the day'; 'loads of practical tips to guide giving feedback'; 'excellent facilitators and class participation'; 'start to end, the entire programme was well organised and conducted'.

Certificate of attendance containing 7.5 CME points are awarded.
