

ATTENTION NCHDs

Have you enrolled in a Continuous Professional Development Support Scheme (CPD-SS)?

HSE - National Doctors Training and Planning (NDTP) is supporting NCHDs enrol in CPD-SS through the recognised training bodies. CPD-SS is open to all NCHDs who are registered on the General or Supervised Division of the register of medical practitioners.

Those eligible NCHDs enrolled on CPD-SS may access a range of clinical courses/activities provided by ALL Irish Training Bodies offering CPD-SS courses/activities, not just the Training Body affiliated to your specialty.

The full guidance document is available from the relevant training body or on the NDTP website at www.hse.ie/doctors

In addition, NCHDs that are not already enrolled as an Intern, BST, ST or HST training programme are required by law to enrol in a Professional Competence Scheme (PCS).

Application process closes 30th September 2022

Any NCHD who is not on a training programme should contact the relevant Training Body to register.
