

Irish Association for Simulation Symposium 2023 Call for Submissions

The Irish Association for Simulation Symposium 2023 will take place on 21st April at the Pillar Centre, The Mater Hospital, Dublin.

The theme for the symposium is interprofessional education

Abstracts for oral and poster presentations are invited

Abstracts may cover any topic related to healthcare simulation. For example, this could include a description of an innovative educational programme, or a research or quality improvement activity.

- Oral presentations will be approximately 7 minutes each, followed by 3 minutes for questions.
- Poster presentations will be delivered as e-posters (a single powerpoint slide). Each poster presenter will have approximately 3 minutes to communicate the key ideas from the poster, followed by 2 minutes for questions.
- Word limit for submission is 300 words.
- Please include a title and all author names and affiliations with your submission.

Please email your abstract to: patientsafety@universityofgalway.ie.

Closing date for abstract submission is Monday, 20th March at 5pm.
